

We want YOU to come and work with us at East Lake Hospital for Animals, Ltd. Practice medicine in a fun, fast paced friendly environment with a strong support staff and the latest in technology. Stretch your skills and increase your knowledge while you make a difference in the lives of our patients and owners. Live in a small town community with large city advantages but without the high housing costs. Live near 2 state parks with miles of trails, 2 county parks, Fetch dog park, horseback riding, beautiful Lake Vermilion and Illinois' first state scenic river – The Middle Fork.

ELHA is looking for that special veterinarian to join our team. We are proud of our long term and highly trained staff. We boast 3 certified veterinary technicians. We have kennel staff for our boarding and a groomer on site. Many of our employees have been with us for over 17 years. At ELHA, you aren't just another employee; you are family! Imagine the wealth of information from your mentor, the longest practicing veterinarian in Danville, Dr. Cooper.

Our mission statement says it all: We provide the highest quality veterinary care at a good value by treating your pet as one of our own. We excel in general medicine and surgery. We have the best in equipment such as digital ultrasound, therapy laser, digital radiographs for both dental and general radiology, CO2 laser, anesthesia monitoring and so much more. We know that having the proper tools help us achieve our goals. Our clients and patients expect this from us. We strive to achieve the highest in providing quality medicine at a fair price. We have in house lab equipment and the latest in diagnostics to help you practice your best in medicine.

Live 45 minutes from Champaign-Urbana and from West Lafayette, IN. Danville is centrally located from so many large cities but doesn't lose it's small town charm. There are numerous restaurants, shopping places and outdoor activities right in our area! From horseback riding to fishing to water skiing to playing with your dog in the park-you can do it in Danville.

So choose US to be YOUR dream hospital! Practice the best in medicine with us knowing the entire team is here to support you. Have a mentor who is still excited to go to work and help patients and owners every single day. Walk away from your work day and let the beautiful scenery wash away any stress you may have. Enjoy your affordable home in beautiful town of Danville. Don't let this opportunity to grow professionally and financially slip through your fingers. Say YES to ELHA and know that you will be joining the BEST in small animal medicine and surgery in the Danville area.
